

Welcome to the Campus Clarevoyance application evaluation!

Read this consent form carefully and ask as many questions as you like before you decide whether you want to participate in this research study. You are free to ask questions at any time before, during, or after your participation in this research.

Project Information

Campus Clarevoyance

SENG 310 Prototype

Investigators:

- Hilary Dechert Ayres
- Richard Haengphosakul
- Wansika Jiratanarat
- Darian Morrison
- Mathieu Trottier

1. Study Purpose

- You are being asked to participate in the testing of a prototype for a post-secondary campus navigation mobile application.

2. Procedures

- You will be asked to do the following:
 - Navigate through the application via the buttons
 - Answer questions while interacting with the application
 - Provide feedback after using the application
- Expected duration: 15 minutes
- The investigators listed above will be in teams of 2 or 3 observing your interaction with the application, and will ask you questions after you're done using it.

3. Confidentiality

- By signing this document, you agree to not reveal, share, or use the ideas presented to you in this application. You agree that the application, and all of its content remains the sole intellectual property of the listed investigators.
- Your identity in this study will be treated as confidential. The results of the study may be published for scientific purposes but will not give your name or include any identifiable references to you.

4. Authorization

I have read and understand this consent form, and I volunteer to participate in this research study. I understand that I will receive a copy of this form. I voluntarily choose to participate, but I understand that my consent does not take away any legal rights in the case of negligence or other legal fault of anyone who is involved in this study. I further understand that nothing in this consent form is intended to replace any applicable Federal, state, or local laws.
